Y.E.S. DROP OFF

All students are to arrive at the theatre with hair and makeup done.

Students must be checked in at the door by security. Signing in can take some time. Please allow for this when planning your arrival at the theatre. We appreciate your patience and understanding with this process as it does take some time. It is for the safety of our dancers.

Dressing room assignments will be exactly the same as they were at the dress rehearsal. Please do not switch rooms. There will be a display board downstairs listing the assignments in case dancers forget where to go. As well, all dressing rooms will be labeled with the appropriate classes. If you require any assistance finding your dressing room, please ask one of our volunteers. There will be volunteers downstairs at all times and they are happy to help.

If your dancer is between the ages of 3-8 years of age, we ask you to bring your child downstairs and help them change them into their costume. As soon as your dancer is dressed and with their group we respectfully ask you leave the dressing room area as space is very limited backstage. If your dancer has more than once dance in a show, you are not required to come backstage to help change them into their next costume. Faculty and volunteers will be assigned to help and assist young dancers change as required.

As a reminder, we are very limited in space backstage. Parents are not permitted to remain downstairs unless they are a designated volunteer.

Y.E.S. PICK UP

Parents who have a ticket for their child to watch the second half of the show(theatre regulations state that no sitting on laps is allowed) can pick their dancer up at **intermission**. Please come backstage to collect your child and all his/her belongings. Please indicate upon check in whether you will be picking your dancer up at intermission or after the show.
