

Everything you need to know about our Year End Showcase *DRESS REHEARSALS // MAY 23 & 24.*

The Year End Showcases (Y.E.S!) are on Saturday, May 25 at 1PM & 6:30PM at the Royal Theatre. A complete list detailing which classes are performing in each show was previously emailed and is currently available on the Boston Dance website. There is one dress rehearsal for each show. The DRESS REHEARSALS are scheduled for **MAY 23 & 24** at the Royal Theatre located at 805 Broughton Street. Dancers are required to be in attendance for their dress rehearsal. The rehearsal on May 23rd is for dancers performing in the matinee. The rehearsal on May 24 is for the dancers performing in the evening show. Dancers cannot participate in the Year End Showcase if they do not attend their designated dress rehearsal.

Attached to this sheet is the detailed dress rehearsal schedules. Each class has been assigned a drop off and a pick up time. Please note the first dancers are scheduled to arrive at 2:30pm Boston Dance appreciates some dancers may need to leave school a bit early to make it to dress rehearsal. This time was selected so that everyone can be out of the theatre no later than 10pm allowing everyone to get adequate rest before the show. Dancers are required to arrive on time with their hair and makeup done. Dancers are to bring their costume on a hanger (**garment bags are recommended**) Dancers are not to wear their costume to the theatre. Costume, hanger and garment bag should be labeled clearly with your dancer's name. Please **LEAVE VALUABLES AT HOME: The Royal Theatre & Boston Dance are not responsible for any lost or damaged items.**

ARRIVAL AT THE THEATRE:

Parents are requested to sign their dancer in upon arrival at the stage door and sign them out when they leave. The stage door is located on Blanshard Street. This procedure can take a bit of time and we do request your patience. The signing in and out process is for the safety of all our dancers.

Parents of students 8 years and under are welcome to escort their dancers downstairs where a volunteer will greet them and direct them to their dressing room. Parents may stay to help change their young dancer into their costume but, as space is extremely limited, **we respectfully ask all parents to then leave the dressing room area and return to pick up your dancer from the dressing room area at the specified time.**

Parents of students between 9 and 12 are welcome to escort their dancers downstairs and leave once greeted by a volunteer.

Parents of students older than 12, are requested to sign their child in and then return at the designated time to pick them up at the stage door.

Parents are NOT permitted side stage for any reason. Due to fire regulations **only designated volunteers may be in the exit hallway to and from the dressing room.** We respectfully ask you to keep this area clear. In compliance with theatre regulations, parents are not permitted to sit in the audience during rehearsals. Please be assured your child will be safe and well supervised at all times by teachers, adult volunteers and senior dancers while at the theatre.

COSTUMES:

ALL COSTUMES ARE TO REMAIN AT THE THEATRE FOLLOWING THE DRESS REHEARSALS: This policy is to ensure no one forgets any costume pieces on performance day. **We do recommend using a garment bag to store costumes with your dancers full name clearly labeled.**

HAIR MAKEUP ETC: Dancers are to arrive with hair and makeup done. (A how to apply stage make up instructional sheet can be found on the studio website [click here](#) .
