Y.E.S. DROP OFF

All students are to arrive at the theatre with hair and makeup done. Students must be checked in at the door by security. Signing in can take some time. Please allow for this when planning your arrival at the theatre. We appreciate your patience and understanding with this process as it does take some time. It is for the safety of our dancers.

Dressing room assignments will be exactly the same as they were at the dress rehearsal. Please do not switch rooms. There will be a display board downstairs listing the assignments in case dancers forget where to go. As well, all dressing rooms will be labeled with the appropriate classes. If you require any assistance in finding your dressing room, please ask one of our volunteers. There will be volunteers downstairs at all times and they are happy to help.

If your dancer is between the ages of 3-8 years of age, we ask you to bring your child downstairs and help them change into their costume. As soon as your dancer is dressed and with their group we respectfully ask you leave the dressing room area as space is very limited. If your dancer has more than one dance in a show, you are not required to come backstage to help change them into their next costume. Faculty and volunteers will be assigned to help and assist young dancers change as required.

As a reminder, we have limited space in the dressing room area. **Parents are not permitted to remain downstairs unless they are a designated volunteer.**

Y.E.S. PICK UP

Parents who have a ticket for their child to watch the second half of the show(theatre regulations state that no sitting on laps is allowed) can pick their dancer up at **intermission**. Please come backstage to collect your child and all his/her belongings. Please indicate upon check in whether you will be picking your dancer up at intermission or after the show. Younger children will not be allowed out of the theatre without their parent/guardian picking them up.

Y.E.S. VIDEO // Clock Tower Images will once again be filming our shows this year. ALL registered families with students participating in the 2019 Y.E.S. will receive a high resolution online digital copy of both shows. This will be available to view and download directly through Clock Tower Images website. All families will be **emailed** the link and specific instructions when the product becomes available. Please note: **For the safety of all dancers, personal video & photography is strictly prohibited during the show.** This will be enforced by Royal Theatre staff.

PHOTOS // APshutter Photography will be taking class photos & action shots of our dancers during the dress rehearsals. Full high resolution digital copies will be available for registered families to view and download from the APshutter gallery located at apshutter.com. Any questions regarding photos may be directed to APshutter Photography.

COSTUMES // Families will be notified by email in situations where costumes exceed the initial costume prepayment amounts. The email will advise when outstanding amounts will be visible for families to see on their family accounts as well as the processing date.

DANCERS PLEASE DO NOT FORGET TO BRING YOUR WATER BOTTLE! It does get quite hot in the dressing areas and dancers do get thirsty. There are no water fountains or other sources of water during the shows. Please ensure your dancer brings a full water bottle with them. Please ensure the water bottle is labeled for easy identification in case it gets misplaced. Dancers may also wish to bring a theatre friendly snack or a quiet activity to keep themselves occupied. **NO peanut products please.** And remember eating and drinking in costume is prohibited.

******All classes are cancelled on May 23, 24, and 25. The last day of classes for the 18/19 season is Wednesday, May 22.**

SHOWTIME NOTES

Please make sure your dancer arrives at the theatre early on show day allowing for extra time to sign in at the stage door. This process does take time and we do appreciate your patience.

Shows start at 1pm and 6:30pm. Start times will not be delayed for late arrivals.

Respectfully, audience members are asked to allow themselves enough time to be seated in the theatre prior to the start of the shows (1pm & 6:30pm).

Please be assured your dancer will be well taken care of by our team of Y.E.S! volunteers while at the theatre during both the dress rehearsals and on show day.

Thank you for your support and understanding.
